

Simply Milled by Ardent Mills™ Organic Universal Pizza Mix

Our organic pizza mix creates a variety of pizza crusts and is also suitable for Neapolitan-style pizzas. We provide a reliable, certified organic mix made from certified organic wheat grown and processed in accordance with Canadian Organic standards. This mix will save you labour, help ensure consistency and greatly simplify your organic ingredient sourcing.

ATTRIBUTES

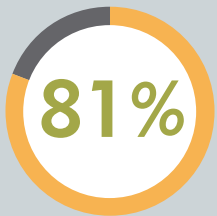

- Great mixing tolerance and excellent water absorption
- Performs well as hand-stretched or sheeted dough
- Excellent for long fermentation

BEST FOR

- A variety of thin, thick, regular and Neapolitan-style pizza crusts
- Ciabatta and focaccia
- Crusty bread & rolls, bread knots and twists

ADVANTAGE

- Simplifies organic ingredient sourcing
- Provides consistent product results
- Developed for multiple product applications
